

EQUANIMOUS

Equanimous is a music producer, DJ, and multi-instrumentalist. He gathers elements from the world around him to create a sound that defies genres, pushes boundaries, and can only accurately be described as a one of a kind heart-expansive experience. His music resonates with a variety of listeners and creates a joyous high vibrational atmosphere on the dance floor.

Equanimous up-levels the electronic music experience by playing live djembe / drums, keys, and beatboxing along with his tracks. He's known for his deep bass, beautiful melodies, live looping, and creative rhythmic beats that take people into a state of euphoric dancing and heart-centered bliss.
