

**EQUANIMOUS**

Equanimous is a music producer, DJ, and multi-instrumentalist. He gathers elements from the world around him to create a sound that defies genres, pushes boundaries, and can only accurately be described as an experience. His diverse and unpredictable music resonates with any listener and creates a joyous high vibrational atmosphere on the dance floor. Equanimous expands the electronic music experience by playing live djembe, keys, and beatboxing along with his tracks. He's known for his deep bass, beautiful melodies, live looping, and creative rhythmic beats that take people into a state of euphoric dancing and heart-centered bliss.
