PERFECT TEN

Adriana Hoyos unveils the versatile Ten Small cocktail table this season. These trend-setting tables can stand alone quite nicely or be combined to create an arresting centerpiece.

TROPICAL PUNCH

Electric hues lend an eye-popping twist to Mariska Meijers' Palm Beach pillows. Lush, swirling botanicals emerge from a pure silk front and are made in Holland with a blind zipper and linen back (\$150 to \$180).

BETWEEN THE LINES

Wendy Concannon's fine art photographs seamlessly blend energy and color in a contemporary format. Part of the Abstract-Lines Series, Square No.1 is available in a limited edition of 11 (beginning at \$1,100).
