### Japanese Awagami Rice Paper :Imported

(Available in ≤ 11"x14" for \$38 per print and 11"x17" \$45 per print

**Deckle Edge 8.5x11 Epson Matt Paper** \$28 per print (other sizes available on request with \$15 special order fee)

**Special Order Papers** available upon request (special order fee of \$15 applies and wait times for paper shipment may vary. More expensive

**Packaging for Prints** packing (hardboard and plastic slip for each print) is available on special request and is not included in normal printing cost. Please give me advance notice on larger orders, and I can order you with a quote on the additional cost of pre-packaging each print for each size available. I use mdf hardboard or acid free backing and a plastic slip.

**Greeting Card Formatting** (I give the finished jpg file to you to take home or get printed elsewhere): \$22 per card setup (includes image on the front and writing/picture on the back in either 6x9 or 5x7 card when folded

Printing Cards (costs \$1.75 per card- comes with envelope, and plastic slip already packaged) Different papers available but will have to allow time to be ordered, especially for larger card orders
