### *Extra Considerations*

**GRATUITY** All collections include a gratuity of 20% for the Caterer. However, we do not include gratuity for the remaining wedding vendors nor the staff, such as DJ, Photographer, Officiant, Wedding Coordinator, Wedding support & decorating staff, or Housekeeping staff. Plan on setting aside between \$700 and \$800 to care for the rest of the vendors & staff. The Pine Rose staff truly cares about your special day & tips are very much appreciated for their hard work.

**INSURANCE** Day of Event Insurance is to protect the couple & Pine Rose Cabins. It limits responsibility for alcohol-related accidents, property damage, or bodily injury at your wedding. Day of Event Insurance can be purchased via [www.TheEventHelper.com](http://www.TheEventHelper.com). On average, insurance is approximately \$1.50-\$2.00 per person.

**OUTSIDE VENDORS** Outside vendors will incur an additional charge of \$200 per vendor. This includes Florist, Bakers, Photographers, Photobooth, Videographers, etc. The officiant is excluded from the outside vendor fee.

**SECURITY DEPOSIT** A refundable security *deposit of \$1,000* is required upon check-in & only cash or credit card will be accepted. It will be released seven to ten business days after check-out depending on your bank. You also have the option to call Pine Rose up to 48 hours prior to your check date to take care of this security deposit. This deposit is separate from Event Insurance and is not included in your reservation.

**FLOWERS** Although all of our collections include log rounds & lanterns for your dining tables, they *do not include floral centerpieces*. If you would like to add any additional floral, or upgrade the floral in your collection, you would add those items directly with the florist you choose.

**PHOTOGRAPHY** If photography is part of your collection, please be advised that this provides 6 ½ hours (or until cake cutting is done) with a professional photographer and their assistant, an online gallery with downloadable social media resolution images, and a 10" x 10" photo album (at least 16 pages). Upgrades, such as additional hours, high-resolution photos, or larger/additional photo albums may also be added for an additional charge subject to your photographer's availability.

**BAR** A second bartender is required for a guest count of 109 or above.

**WEDDING REHEARSAL** Wedding Rehearsals are done the day of, after checking in at 1:00 pm to Hidden Creek Lodge. Rehearsal begins at approximately 1:30 pm with your wedding coordinator who will be there to help with the procession of your bridal party and the timing of your ceremony. You may add on an additional night at Hidden Creek Lodge if you are wanting a wedding rehearsal the day before (*Subject to Availability*).

Note: If the wedding couple is staying in a different cabin on the property the night before the wedding, please be aware that there is a two (2) hour gap between check out of that cabin and check-in for Hidden Creek Lodge. For example, if the wedding couple is staying in a cabin the night before their wedding day, the check-out time is 11:00 am from that cabin, and check-in at Hidden Creek Lodge is at 1:00 pm. Early check-in times for Hidden Creek Lodge on the day of the wedding are not offered.

**REQUIRED CABIN RENTAL** Pine Rose wedding couples are *required* to reserve 2 cabins: Cabin #12 Fisherman's Hideaway and Cabin #14 Deer Creek. If not reserved by your guests 30 days prior to your wedding, you will be charged the remaining balance of the cabins. Please call 909-337-2341 for Reservations or email [Reservations@pinerosecabins.com](mailto:Reservations@pinerosecabins.com)
