wild geese chase

5 plump, chocolate ^{geese} ~~chickens~~ -
- print sack dress -
big dirt-brown toes pop out of plastic shoes
"the latest fashion"
to hank out the latest bargain
"platanos" "aguacates - guine"
"frescos" "lindos" "compra, lindo"
to cackle the current chismes.

5 spry gingerbread men
decked out in official green -
white chasin' sticks markin' time -
1-2-3-ready-go -
spring the fat geese -
fat hens mount heavy tins
on their curly brown -
fly the coop -
squeals of feigned annoyance -
squeaking happy little attention toots -
a brief strut around the yard and
the fat geese straddle back
to the morning spot,
hanking out bargains,
cackling out chismes...
