

**LOVE EXPRESSED— ME AND
HUGH**

. (FYI: there is no real person Hugh).

Me and Hugh...

The tale of the love so true

between me and Hugh,

and how our love grew.

Many love, but those who survive are few,

like me and Hugh.

A love made for just us two,

Still fresh as the morning dew,

We still do

Laugh, kiss, hug, and coo,

He is the one I still woo.

The secret to this love of me and Hugh,
what holds us together is our special glue:
We keep our love fresh and new,
Each day our love we renew,
We solve our problems and do not let them stew,
Give each other respect that's due,
Me and Hugh.
when all around us is one big ZOO,
I remember how much I love Hugh,
and how our love grew,
May love like this find you too.
So you don't spend time crying Boo-hoo-hoo....
