

## TRAPPED 2

Venus fly trap of my heart.

don't have to think up any games  
or tricks  
or fancy schemes to trap me.

you don't have to plot or plan to trap  
me.

you don't have to contrive or  
connive to trap me.

you don't have to cook up any  
special recipe to trap me.

Venus fly trap of my heart,

Just being yourself you trapped me,  
you trapped but good.
