

TEARS

**I want to tell you what's wrong,
why these illogical tears flow.
i want to tell you why these tears,**

**but i can't tell you
because if i tell you,
then i am telling you too much,
way too much,**

**so i can't tell you more until you tell me more first.
(i can't even tell you this)
that's the way it works.
these illogical tears.
That's the way it works.
that's the way it waterworks.**
