Art of Skins, Dr Melanie Palm, admiring Oscar de la Renta's fall collection

## CHARITY SPOTLIGHT

Art of Fashion this fall was full of warmth, laughter and unpretentious spirit. Maggie Bobileff's opening speech pierced our hearts while she shared her battle with cancer with us, setting the stage for a heartwarming day. Co-chairs, Sarah Sleeper and Tamara Lafarga-Joseph also made touching speeches illuminating the main reason for the fundraiser, to build our community by supporting local charities focused on veterans, children and the elderly. The Alzheimer's San Diego, Angels Foster Family Network, Boys 2 Men, Girls Rising, Include Autism, La Jolla Meals on Wheels, Think Dignity and Warriors Live On are a few that were empowered to make changes in our community.

Thank you South Coast Plaza, Country Friends for your countless hours dedicated to putting on this incredible event.

A special thanks to Ranch and Coast magazine for making a front row seat possible, the position allows the photos to speak for themselves. For more photos check out [www.felicekinnear.com](http://www.felicekinnear.com)
