

There is only one time of year when going to the mailbox is an exciting prospect (and that time of year is swiftly approaching).

This year, let your family holiday card be about *your kids*, not about the card. Forget the ribbons and doo-dads and certainly forget about the same online designs that everyone else chooses. Simple and sweet.

choices, choices

PAPER	SIZE	SHAPE	# OF PHOTOS
matte	5x5	square	foldover (1 fold)
glossy	4x6	horizontal	accordion (2 folds, many panels)
water color	5x7	vertical	postcard (flat, no fold)

pricing

The choices you make in terms of paper quality, size, quantity of cards and the number of photos used in your card determines the price of your holiday cards. Please email for a quote. The more cards you order, the less the per-card price will be ("economy of scale").
