Waterfowl of the World, by Gary Kramer, Other Contributors: Gregory John Mensik

Ducks, geese, swans, sheldgeese, and shelducks from around the world are depicted in multiple high-quality photographs. Photographer and author Gary Kramer visited 40 countries in his quest to photograph all species of ducks, geese and swans on earth. This visual record includes Kramer's photographer notes, photo location and selected references. Readers can spend hours enjoying these beautiful photos while familiarizing themselves with current populations and habitat locations of waterfowl. Gorgeous work! - Next Generation Indie Book Awards Judge
