

FIGURE STUDIES MODELS

What You Can Expect

Paid **figure modeling** contains nudity (dressing room / implied / artistic / uncensored / **not** vulgar in nature).

- Must first qualify and process as a [**Fitting Model**, see **FITTING MODEL, What You Can Expect**]
- No age requirement (non sexually suggestive art-styled and/or naturism photography)
- No height requirement (art styled photography, height is not restricted)
- No look requirement (LGBT, alternative, counterculture models are welcomed)
- No measurement requirement (maternity/pregnant models are welcomed)
- Work from “in-studio” or “on-location” mostly in a private session
- 10 hour shifts
- Pay is at the approximate rate of \$50 per hour and includes a 15 minute break every hour.
- Duties include: posing for sketching, drawing and photography (motion and still)

1. **Please wear loose, non-constricting clothing to your shoot. Do not arrive in undergarments, shape wear, and/or swimwear; which may leave marks and bruising of the skin. This is not a desire effect, so please leave them at home or in your bag to change into after the session/appointment.**
2. You may bring an escort if you wish; *however a significant other, spouse and other immediate family members* can be an overly critical and an unwanted distraction. They invariably, in my experience, look at all nude work as pornographic and we would both find that embarrassing and distasteful. I would like to reiterate that you will, in any event, be quite safe and you will be treated with respect.
3. **Before the shoot you will be given the opportunity to ask questions. There are no stupid questions; if you have any, ask them. The model- release contract will be explained to you. Again, if you have any questions, please ask them.**
4. As a warm-up, we may do a motion photographed interview on nude modeling and other general questions. A casting-style undressing (front profile, side profile, etc.) really helps “ease into the session”.
5. **During the breaks, I will provide a bathrobe, slippers and refreshments.**
6. After the photo shoot you will be paid and will be asked to sign a release. Signing the release is a condition of being paid.
7. **After signing the release, you will be given a questionnaire. This gives you the opportunity to critique me as a photographer.**
8. Up to four selected 8 x 10 “straight” photography images of photos taken during your modeling session may be purchased at cost (10 USD per print/image or 15 USD for both). Alternatively, two special effects (digitally enhanced) images made from photos taken during your photography session may be purchased at cost (20 USD per print/image or 25 USD for both). All other photos will be considered limited edition/reproduction prints, unless (see clause 9.)
9. **Modeling in exchange for prints/CD/DVD/Blu-Ray/Thumb Drive/Hard Drive, etc., may be negotiated (usually not for payment), but I will retain the negatives and the copyright.**
