

Adriana Mullen

PHOTOGRAPHY

Professional photographer Adriana Mullen was born and raised on the island of Sardinia in Italy, a country well known for its exceptional cuisine. A graduate of the French Culinary Institute of New York, she combines a passion for photography with her love of food, wine and the finer things in life.

Adriana creates rich and elegant food and still life photography — visuals with high impact for both advertising and editorial clients. She specializes in shooting her food subjects in natural light while always working with the latest technology.

FARMERS MARKET

“The growing interest in farmers markets is driven by consumer concerns about food safety and a renewed focus on healthy eating. Last month, the Department of Agriculture launched an initiative dubbed ‘Know Your Farmer, Know Your Food,’ designed to help develop local and regional food systems and spur economic opportunity for small farmers.”
