WANT TO MAKE YOUR OWN PRINTS, OR USE IMAGES FOR HOLIDAY GREETING CARDS?

As a special offer, instead of purchasing prints from Spadafina Photography, you may choose the option of purchasing the actual high-resolution files of any or all of your final image choices. This will allow you to reproduce these images in any way you like, with a photo finisher of your choice. If you are planning on using the images from our shoot for your holiday greeting cards, this is the option you would choose. If you are not very tech savvy, and are not comfortable ordering cards on your own, please let us know. For a reasonable fee, will be happy to work with you to place the order with the online photo finisher of your choice!

Pricing for this option is as follows:

1 retouched image - \$50
2 retouched images - \$75
3 to 5 retouched images \$100

* You may also purchase a flash drive with all images from the session for \$200. These images would be adjusted and optimized, ***not retouched***

Additional Info:

- The \$30 sitting fee is non-refundable. It is collected in advance and serves to reserve your place on the schedule the day of the shoot.
- There will be a \$25 minimum order.
- Final images will include basic retouching. Charges for extensive retouching (ie. Photoshopping faces from other images into final group pose) will be \$15 per image.

If you have any questions concerning the shoot, or any of the information given here, please do not hesitate to contact Spadafina Photography.
