## **When**

October 20th, 2018 (rain date Oct 21st)  
9:00AM - 4:30PM

## **Where:**

Creative Kids Preschool  
70 Foley Rd, Warwick, NY 10990

## **The Details**

Photos will be shot outdoors on the grounds of the school. Each mini-session will last 20 minutes! Families will be scheduled back to back, so there will be no time to waste. Families should be sure to arrive early for their scheduled time slot, and ready to shoot so that we are able to take full advantage of the allotted time. That means clothing on, hair brushed/combed, makeup done. We will shoot as many different poses (family/kids/singles) and lighting variations as time allows.

## **FAQ's**

What do we wear?

Try to choose clothing with a pattern that is not too busy. Simpler is better when shooting group photos. Avoid trying to match colors (lots of different shades of blue, for instance,) unless the clothing is an exact match. Instead, try to dress in colors that complement each other. Clothing should be clean, steamed or pressed for best results in final photos.

How should we pose?

The first rule to getting great shots is to have fun!! The best results usually happen when everyone is casual, and willing to get a little crazy. Sitting in the grass, kids on shoulders, piggy-back rides, bear hugs, jumping in the air, silly faces, etc, are all great ways to loosen up the group, and let everyone have more FUN! Come to the shoot willing to look and act a little silly, and you're sure to be happy with the results. We will be providing a handful of props (Christmas hats, signs, stools, etc.) We strongly encourage all families to bring along any types of props of your own (scarves, hats, sports items, blankets to sit on, etc.)

What do we get?

Spadafina Photography offers a number of different print packages. You may also choose to purchase any or all of the digital files from the shoot so that you may print them on your own through a photo finisher of your choice. This is also a great option if you would like to use your photos for holiday cards. The package and pricing specifics are listed on the following page.
